The SNDT Arts and Commerce College for Women was founded by Bharatratna Maharshi Dhondo Keshav Karve on 5th July 1916, with five students. It is this college at Pune, with which he started the functioning of the Indian Women's University.

This college is thus the very first institution of the university. Today, it functions as a conducted college, owned and governed by the SNDT Women's University, Mumbai. Both the college as well as the university came to be named after Shreemati Nathibai Damodar Thackersey, mother of Sir Vitthal Das Thackersey, who generously donated in the year 1920 for girl's education.

We focus on rigorous quality and delivery of education and aim at strengthening and focusing on research in the areas of social cause and extension activities.

During this academic year NAAC Cycle-III was successfully completed with B+ grade with CGPA 2.70. This is a brief report of quality enhancement initiatives of the IQAC in the academic year 2022-2023.
