IQAC Initiatives 2018-19

Introduction

The SNDT Arts and Commerce College for Women was founded by Bharatratna Maharshi Dhondo Keshav Karve on 5th July 1916, with five students. It is this college at Pune, with which he started the functioning of the Indian Women's University.

This college is thus the very first institution of the university. Today, it functions as a conducted college, owned and governed by the SNDT Women's University, Mumbai. Both the college as well as the university came to be named after Shreemati Nathibai Damodar Thackersey, mother of Sir Vitthaladas Thackersey, who generously donated in the year 1920 for girl's education.

The IQAC of the College in continuing with the legacy of focusing on the overall development of the students has conducted the activities with a blend of traditional and new skills, to be imparted to students which they require to compete in the changing scenario. The College aims at making education student-centric.

Workshop on Google Classroom

Dates: 18 June 2018 to 30 June 2018

At the pro-active initiative of Principal, Dr. Anand G. Jumle the preparations of this “ICT in Education” endeavour in the College started in the month of April 2018. Every teacher was served a written notice to prepare MCQs of every of his/ her courses taught in the softcopy; and, also to collect and keep ready reference material as well as the long and brief answer questions in the softcopy form in the summer vacation 2018. It was clearly intimated that the workshop on Google classroom to accommodate and administer the teaching material mentioned above would be conducted in the first week of the academic year 2018-19. Accordingly, the workshop was conducted between 18 and 20 June 2018 by Vice Principal, Dr. Madhavi Kulkarni. After the workshop, the participant-teachers were given 10 days for creating only one Google Classroom in the drive of the email address of the Department concerned, for any one of the courses taught to accommodate the teaching material prepared and kept ready by them in the vacation. During these 10 days, despite of non-availability of computers and internet facility; and, very hectic schedule of admissions majority of the participant-teachers tried their best to practically compete the assigned task.

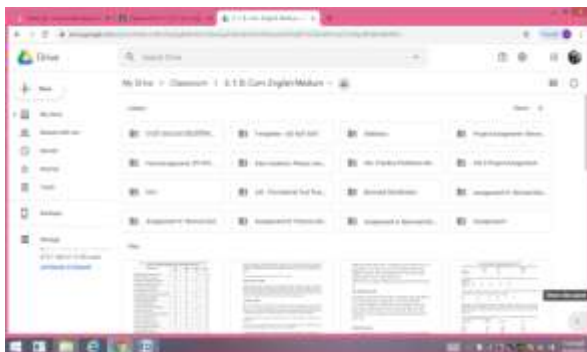

The schedule of presentations for demonstration of the Google classrooms created by the participant-teachers was informed through an email by IQAC on 25 June 2018. Except for a couple of teachers, the participation of teachers in the presentations was very positive, affirmative and encouraging. Almost all the teachers had invited their students to the Google classrooms. The response of their students in joining the classes was also found satisfactory. Dr. Madhura Joshi, IQAC Co-ordinator and Dr. Madhavi Kulkarni, Workshop Facilitator were the Peer Assessors for the presentations, along with Principal, Dr. Anand G. Jumle.

The Google classrooms are used in the College with following Objectives:

1. To use of Google Classrooms as a supplementary aid to classroom teaching-learning
2. To use the classroom effectively to cater different needs of above average and below average students

3. To enable the teachers to use technology-based teaching methods which otherwise cannot be used in the classrooms
4. To give exposure to students of latest software and packages
5. To bring the flexibility and transparency in continuous assessment system
6. To use varied evaluation and assessment methods
7. To eliminate the subjectivity in assessment
8. To make learning interesting and effective.
