It provided a platform to academicians from different disciplines to come together and share innovative teaching and research ideas.

The idea behind this FDP was to equip a modern day teacher to go beyond the traditional teaching-learning. The art of information dissemination using the technology was discussed to empower them to use pedagogical Innovations more effectively. Accordingly, the base line and theme of FDP was Pedagogical Innovations and Research by using ICT.

After conducting the Need Based Assessment (NBA) the areas and resource persons were finalized. An all twenty-seven teachers from SNTD Women’s University’s P. G. Departments, College of Home Science, College of Education and Arts and Commerce College registered for FDP.

- On the occasion of centennial year, a Get-together of the former teaching and non-teaching staff was organised on 20 May 2016. Twenty nine retired teachers and office bearers were present for the function.

2.15 Plan of Action by IQAC/Outcome

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year *

Plan of Action	Achievements
To decide the plan of action after NAAC Peer Team recommendations, IQAC recommended a workshop for teachers	A two Day Workshop on Proposed plans of IQAC for Compliance of NAAC Peer Team Report on 10 and 11 Dec. 2015.
To promote research activity among staff members IQAC proposed to organise a workshop	A one day workshop on Research Methodology on 12 Dec. 2015.
For Promotion of Admissions in Senior College, and to empower students with employability skills, IQAC planned to organise Short term certificate courses after XII Exams.	Short term certificate courses on Spoken English, Tally & MS Office were conducted during summer vacation for the students who appeared for Std. XII.
IQAC suggested to organise Add on Courses for students to develop their employability skills	(a) A 45 days Add-on Course on Tally-ERP for last year students of Commerce was conducted in collaboration with College of Computers. (b) Centre for Competitive Examination for preparation of UPSC and MPSC was started from July 2015
Planned to organise a workshop for creating awareness among faculty members about changes in API pattern	Workshop on "Recent Changes in API" was organised on 27 October 2015. Dr. C. N. Rawal, Principal, BMCC, Pune, guided the staff members on Performance Based Appraisal System (PBAS).
For improvement in quality of teachers IQAC proposed to conduct Faculty Development Programme	On behalf of the SNDT Women's University, Mumbai, IQAC of SNDT Arts and Commerce College for Women, Karve Road, Pune, in their centennial year, organised a 6-Day Faculty Development Programme (FDP) for the teachers from 25 April to 30 April, 2016. It provided a platform to academicians from different disciplines to come together and share innovative teaching and research ideas.

To organise seminars and conferences to provide platform for teachers for academic enhancement	One National Conference and two National Seminars were organised during the year. International Journal of Management and Economics with ISSN (2231-4687) impact factor 1.52 was published
To motivate teachers to write and publish research articles, books etc.	15 teachers published research papers in international journals and 8 teachers published their research papers at national level. 3 chapters were written in books.
To motivate teachers to participate in national and international level workshops and seminars.	Almost all the teachers attended different seminars and workshops at National and International level. The total number comes to 41.
IQAC recommended use of Fully Automated Result System for First Year Examinations for timely declaration of results with highest accuracy	The data entry of marks, both internal and semester examinations is done by the teachers in MS Excel. These data are linked for ledger posting and mark-sheets printing.
To maintain Uniformity in accounting and Transparency in transactions IQAC suggested use of Accounting Software	Centralised UniSuit Financial System software package was installed. It is a software package for centralized accounting which indicates receipts and payments to the head office every day basis. Record of each receipt and payment is kept digitally recorded.

Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision:

The Vision of the University is, “Today we visualize the SNTD Women’s University as a world class university that continually responds to the changing social realities through the development and application of knowledge. The purpose of such engagement will be to create an inclusive society that promotes and protects the dignity, equality, social justice and human rights for all, with special emphasis on empowerment of women.”

Mission:

“SNTD Women’s University is committed to the cause of women’s empowerment through access to education, particularly higher education, through relevant courses in the formal and non-formal streams. Further the university is committed to provide a wide range of professional and vocational courses for women to meet the changing socio-economic needs, with human values and purposeful social responsibility and to achieve excellence with “Quality in every Activity”.

6.2 Does the Institution have a Management Information System?

In the process of shifting from the traditional manual MIS to the digitalized electronic one, the College introduced Tally ERP system of Accounting in the previous year and in the current year the University introduced Centralised Unisuit financial accounting system. The College has completed the process of getting registered with the on-line MIS systems of the Office of the Director (Higher Education), Higher Education Department of the Central Government and the UGC. It is in the process of completing the *e-seva pranali* for the salary payment of its employees.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

The College encourages teachers to prepare and develop study material and the question banks for facilitating the teaching and learning process based the syllabuses of the SNTD Women’s University.

6.3.2 Teaching and Learning

The College endeavours to see that the teaching faculty members constantly upgrade their knowledge. It also strives to provide the students with all possible learning facilities. The teaching staff members as well as the students are encouraged to use innovative and interactive teaching-learning methods.

- In order to facilitate the teachers to use technology in the class room, the LCDs and Laptops were made available.
- The College organised workshops on the topics such as, How to Write Research Proposal and scientific teaching methods.
- The self-study by the students was encouraged by adopting Innovative teaching methods such as study tours, study visits, Geo-Fest, Workshops, Computer-Fest, exhibitions, internet related projects, surveys, short films, and power point presentations.
- The teaching staff members were deputed for Seminars and conferences organised by different academic bodies in Maharashtra and outside.
- IQAC of the College organised Six-Day Faculty Development Programmes for the teaching staff members on behalf of the SNDT Women's University in April 2016.

6.3.3 Examination and Evaluation

It is the policy of the College to make sure that the prevalent rules of minimum attendance, internal assessment, and the final examination are followed by the students. The College strictly adheres to the policy of timely examination and assessment schedules.

- As per the policy of the SNDT Women's University, the semester examinations for the first year B. A., B. Com., BCA, as well as the first and second B. V. A. were conducted by the College.

The combined responses of the students about various facilities and the functioning of the College are shown in the following graph.

Best Practice 1: Social Support Club (Being Human)

Background

Education is considered as a powerful weapon which can be used to bring positive change in the world. Educational institutions have a major role to play in shaping the minds of the students who in turn are expected to make the world a better place to live in.

In order to create socially responsible citizens, various activities are undertaken in SNTD Arts and Commerce College for Women, Pune. One such activity is the 'Social Support Club'.

There are many underprivileged students in the College and less fortunate people in the surrounding area who are in need of support. At the same time there are a large number of talented students in the College having skills in drawing, drama, music, dance, etc. whose energies can be utilised for making positive change in lives of disadvantaged people .

Objectives

1. To create a sense of social responsibility among the students
2. To make students experience the joy of giving
3. Utilise available talent in the College for the benefit of underprivileged in the society
4. Fund generation for the needy students in the College
5. Provide social message through entertainment

Proposed Activities

1. Provide necessary support to visually impaired students in the form of writers, readers and financial help as and when necessary
2. Provide platform for visually impaired students to show their talent
3. Organise entertainment programmes giving social message in the orphanage, old age homes, schools
4. Perform street plays in schools and colleges on current issues
5. Motivate our students to extend helping hand to the disadvantaged people in creative and innovative ways

Activities in 2014-15

This Club came into existence as a "Readers and Writers Club" to provide support for the visually impaired students in the College in their studies and providing writers for them in writing examination. The Club organised various meetings of the visually impaired students in order to understand their problems and the type of support they need from the College. During the academic year 2014-15 the Club mainly concentrated on preparing a list of the student volunteers who were ready to work as readers and
