5. Student Support and Progression

5.1 Contribution of IQAC in enhancing awareness about Student Support Services

- For enhancing awareness about Student Support Services, in the year 2015-16 IQAC suggested more interaction with members of the Students' Council of the College for giving information about different schemes for Students Support Services. IQAC Co-ordinator was the special invitee for the meeting of Students' Council. The record shows that in the year 2016-17 more than 104 students applied for Government free-ship and scholarship.
- IQAC has proposed a draft for developing Mentor System in the College for achieving "3 Is" i.e. Identifying the needs of the students, Interaction with the students and Implementation of Students Support Services. From January 2017, formal mentoring system was introduced. IQAC has proposed that each mentor should organize at least two programmes for more interaction with student.
- For career advancement of the students, IQAC suggested, more Add on courses. Four Add-on courses were conducted during the year.

5.2 Efforts made by the institution for tracking the progression

- Result analysis is a regular feature of the College. The results are regularly analysed and discussed in the staff meetings and in the classes.
- IQAC has suggested use of Social Media for developing communication with the students for tracking their progression.
- Through College website students are asked to update the details of their further education and career.
- Through alumni association, the College tries to keep track with the ex-students.

Criterion – VI

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision:

The Vision of the University is, “Today we visualize the SNDT Women’s University as a world class university that continually responds to the changing social realities through the development and application of knowledge. The purpose of such engagement will be to create an inclusive society that promotes and protects the dignity, equality, social justice and human rights for all, with special emphasis on empowerment of women.”

Mission:

“SNDT Women’s University is committed to the cause of women’s empowerment through access to education, particularly higher education, through relevant courses in the formal and non-formal streams. Further the university is committed to provide a wide range of professional and vocational courses for women to meet the changing socio-economic needs, with human values and purposeful social responsibility and to achieve excellence with “Quality in every Activity”.

6.2 Does the Institution have a Management Information System?

In the process of shifting from the traditional manual MIS to the digitalized electronic one, the College introduced Tally ERP system of Accounting in the previous year and in the current year the University introduced Uni-suit financial accounting system. The College has completed the process of getting registered with the on-line MIS systems of the Office of the Director (Higher Education), Higher Education Department of the Central Government and the UGC. It is in the process of completing the e-seva pranali for the salary payment of its employees.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

The College encourages teachers to prepare and develop study material and the question banks for facilitating the teaching and learning process based the syllabuses of the SNDT Women’s University.

The syllabuses of T. Y. B. A. and F. Y. B. Com. were revised in this academic year. The teaching faculty members of the College were involved in this process of revision as members of BOS and syllabuses restructuring committees.

6.3.2 Teaching and Learning

The College endeavours to see that the teaching faculty members constantly upgrade their knowledge. It also strives to provide the students with all possible learning facilities. The teaching staff members as well as the students are encouraged to use innovative and interactive teaching-learning methods.

- In order to facilitate the teachers to use technology in the class room, the LCDs and Laptops were made available.
- The College organised workshops on the topics such as, How to Write Research Proposal and scientific teaching methods.
- The self-study by the students was encouraged by adopting Innovative teaching methods such as study tours, study visits, Geo-Fest, Computer-Fest, exhibitions, internet related projects, surveys, short films, and power point presentations.
- The teaching staff members were deputed for Seminars and conferences organised by different academic bodies in Maharashtra and outside.

6.3.3 Examination and Evaluation

It is the policy of the College to make sure that the prevalent rules of minimum attendance, internal assessment, and the final examination are followed by the students. The College strictly adheres to the policy of timely examination and assessment schedules.

- As per the policy of the SNDT Women's University, the semester examinations for the first year B. A., B. Com., BCA, BAF as well as the first and second year B.V.A. were conducted by the College.
- The MKCL on-line application portal was used in the University examinations.
- The question papers of the semester examinations were sent on-line by the University.
- Internal assignments in the form of Case Study, Group Discussion, Presentation, etc., were given, along with the regular teaching of the Course, throughout the year.
- Majority of the permanent teaching staff members participated in the CAP of the University.
- An integrated system of Internal Assessment comprising of four different assessments methods was introduced in this academic year as a part of Examination Reforms. In this system, the performance of the students is assessed on the basis of four different internal assessment tests; namely, tutorials, MCQ Test, test of brief answer-questions and test of long answer-questions. The students are given the

schedule of all four tests along with the necessary assessment tools in the beginning of the term. This system was introduced to B. Com, BAF, BCA, and B. A. Programmes.

6.3.4 Research and Development

It is the policy of the College to encourage the teaching faculty members to undertake research activities for students by giving assignments related to the topics from the curriculum. The teaching faculty members are also deputed by the College to attend the research-related seminars, workshops, and orientations by sanctioning the duty leave.

- Almost all the permanent teaching faculty members attended and presented papers in the seminars at the International Level. Eight teachers participated in the International Conferences organised in the foreign countries like USA, UK, Australia, and Thailand. Three of these teachers were granted Travel Grant by the UGC.
- Three of the teaching staff members are the recognised guides for M. Phil. and PhD programmes.
- Five Research-based Consultancy Projects were undertaken for CBRTI, Pune.
- Two teachers completed Massive On-Line Open Source Courses in Critical Reading and Use of ICT in Higher Education.
- One teacher attended training programme on WISC-IV organised by Pearson India Ltd.

6.3.5 Library, ICT and Physical Infrastructure / Instrumentation

The branch library of the SNDT Women's University in the Pune Campus is well equipped with the books, journals, periodicals, and audio-visual study material, to cater for the needs of the teachers and the students. The College makes it compulsory to every student to take the membership of the library and encourages them to make its extensive use. A few departments also have their own departmental libraries of books.

The College has two Computer Laboratories with internet facility and every student is given the computer training. The Music, Psychology, Geography, and BVA Departments have separate laboratories and they are equipped with the required instruments. It is the policy of the College to keep all the labs updated.

The College has sufficient grounds in the Campus for out-door sports activities and NCC parades.

Built in 1923, the building of the College is A Grade Heritage Building, accommodating administrative Offices, with adequate class rooms, wash rooms, and rest rooms for teachers and students. The College tries to make optimum utilization of

the premises by letting it out for various examinations of different academic institutions and Government Departments on holidays.

6.3.6 Human Resource Management

The College endeavours to maintain a congenial environment with a view to allowing the academic and administrative staff members to perform their duties effectively and efficiently.

- Regular meetings of the students' Council as well as the teaching and non-teaching staff members were held by the Principal with a view to getting their suggestions and for discussing their problems.
- The College has Anti-Ragging Committee and Suggestion Box scheme for students.

6.3.7 Faculty and Staff Recruitment

The SNDT Women's University, being the Management of the College, recruits all the permanent teaching and non-teaching staff members, following the Government Rules. If any post remains vacant, it is filled by appointing staff on temporary basis so that regular functioning of the College does not get hampered.

After conducting the interviews through duly appointed Local Interview Committees and after getting the approval of the SNDT Women's University for filling vacant posts the appointments of the temporary staff were made on clock hourly basis.

6.3.8 Industry Interaction / Collaboration

In its pursuit of establishing corporate linkages, the College organises field visits of the students to different industrial units. It invites experts from the industry to deliver lectures and demonstrations to the students of B. A., B. Com., BCA and BAF Departments. The companies and industrial units organised campus interviews, employability-skills workshops, and virtual stock exchange competition for the students.

- The ICICI Bank Ltd. organised Virtual stock Exchange Competition for the students of the Commerce faculty.
- Employability Skills Trainings of eight days and four months were organised in association with Barkley Ltd. and Tata Strive respectively for B. A. And for B. Com. students.

6.3.9 Admission of Students

The College strictly follows all the rules of the Government and the University while admitting the students. Every eligible student who applies to the College is admitted on first-come-first-serve basis.

- The Admission Committee was formed as per the prescribed rules.

- On-Line Admission Portal of MKCL was used for admitting the students by the Administrative Staff of the College.
- The Academic Counselling for selecting appropriate faculty and the specialisation subject is provided to students seeking admission.

- For the last ten years, the College Campus runs the wet garbage and solid waste management programme.

Criterion – VII**7. Innovations and Best Practices**

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

Innovations Introduced	Year of starting	Purpose/s	Description in only 2 points maximum	Achievement/s
Bulk SMS System	2014-15	Fast Communication with students and teaching and administrative staff, parents and alumni, retired teachers, donors etc.	Notices about alumni meet, staff meetings, Opening Address of Principal for First Year Students, Examination related notices, Parent-Teacher meets, meetings of Class representatives, Farewell Programme, Cultural Programmes, medical check-up camps, Study Tours etc. The concerned staffs have to give the note with the signature of the Principal and have to handover it to the office staff. The Message is circulated with immediate effect.	Notices put on the Notice Boards may be missed by the students and staff; however the bulk SMS creates awareness to do the needful in stipulated time. It becomes easier to contact the parents, alumni, and donors etc. who are not in contact with the College regularly.

Centre for Entrepreneurial Learning- We, the Future Entrepreneurs

Background:

Maharshi Dhondo Keshav Karve formed SNDT Women's University and the College for women empowerment through education. Today we observe women are holding all the leading positions in the corporate world. At the grass root level also through SHGs (Self Help Groups) women are doing excellent job. It is the need of Young India to acquire the skill not only for seeking jobs but for starting their own businesses. Start ups is the buzz word and the solution for the problem of unemployment.

With this background and as per the recommendations of NAAC Peer Team, from the year 2015-16 the College has established a 'Centre for Entrepreneurial Learning- We, the Future Entrepreneurs'. Through this centre various activities will be conducted for developing knowledge, skill and attitude among our college students to become young entrepreneurs.

Motto of this centre:

Women Empowerment through Entrepreneur Skill Development

Objectives:

- 1) To develop skills, competence, and to motivate the young learners of the College to be future entrepreneurs.
- 2) To make the students aware about the recent trends in the field of entrepreneurship.
- 3) To give exposure and to provide them platform as budding entrepreneurs.

Plan of Action:

- 1) To form a group of interested students for the academic year.
- 2) To organise guest lecturers and visits for imparting required knowledge about entrepreneurial learning, procedure for starting a business, financial aspects, etc.
- 3) To conduct Entrepreneurship Development Programme (EDP).
- 4) To conduct surveys and projects for better understanding about recent trends.
- 5) To organise exhibition-cum-sale for giving practical exposure to the students.

Activities conducted in the year 2015-16:

1. A group of 22 students were initially enrolled for the centre. Ice-breaking session was conducted for getting information about their areas of interest as future entrepreneurs.

2. On 20 and 21 August, 2015 the centre organised Two Day Exhibition-cum-sale of Rakhis on the occasion of Rakhi Pournima to give practical exposure to the students.

3. Survey of Rakhi Business in Pune City:

To understand the nature of rakhi business in Pune city a survey was conducted using structured questionnaire. The students collected primary data from 125 respondents who were engaged in Rakhi business in retail market covering road side vendors and shop keepers to gold smiths selling rakhis.

A group of interested students from second year B. Com class are further working on the project. They are collecting information of e-business of Rakhies and try to understand utility of e-commerce.

4. On 10th October 2015 fifteen members of the centre attended One day Entrepreneurial Skill Development Programme at Sakal International Learning Centre (SILC)

5. Three Day EDP was organised on 12, 15 and 16 February 2016 for imparting required knowledge about entrepreneurial learning, procedure for starting a business, financial aspects, role of women entrepreneurs, etc.

Add-on Courses to develop employability skills in collaboration with Corporate Sector

The Context:

In the new globalization era, to make the current Indian Higher Education System more relevant and career-oriented with focus on quality and excellence, UGC has encouraged incorporation of skill oriented and value added, add-on courses in Colleges/Universities.

It is envisaged that professionally qualified graduates with a sound knowledge of their core disciplines and expertise in a concerned skill will have more openings in service, industry and self-employment sectors. Demand and scope for such professionally trained graduates are visible in the applied fields of almost all basic/core disciplines and faculties in the current changing global scenario and is likely to increase in the future. Hence, the IQAC of the College, in consultancy with the experts, thought of starting a relevant add on course to be opted by students as a parallel sub-discipline while pursuing their B. A. or B. Com. Degree level education.

The Objective:

- To introduce career and market oriented, skill enhancing add-on course that has utility for job, self employment and empowerment of the students.
- To bridge the gap between industry and academics.
- Along with conventional degree in Arts or Commerce, the students will be equipped with a certificate in an add-on course.
- To provide employability skills to the students, belonging to the lower and lower middle income strata, in affordable fees or free of cost.

The Practice:

- It was decided to give a course on Tally ERP as an add-on course to the students of B. A. and B. Com. Degree Programmes in year 2014-15. Tally ERP is the largest accounting package. It has grown from basic to mature business management product. Tally ERP 9 is the most famous software which is more adaptable and can be customized despite the nature of markets. It provides complete work such as accounting, payroll, finance, sales, purchase, etc. It is designed to meet the developing demand of the businesses in different domains.
- The IQAC found that many students from the Commerce faculty wanted to learn the Tally ERP; however the cost of the course provided by the private institutions was too high for them. So, it was decided to make the course available in affordable charges.
- The senior Associate Professor of Accountancy was the Coordinator of the course, and was responsible for the academic and administrative aspects of the course.

- Teaching faculty specialized in this particular software was appointed in collaboration with CCA, Pune.
- A 45 day Add-on course was framed which included classroom lectures along with laboratory practical and practice sessions.
- 45 students completed the course successfully by giving on-line examination.

Detail of add on courses in the year 2015-16

4. Obstacles faced/ Problems encountered

The College runs its regular five degree programmes as well as the Junior College from 7.30 am to 5.30 pm. We find shortage of the number of classrooms, computers in the computer labs. It is also difficult to find the suitable timings to run the add-on courses.

5. Evidence of Success

- Students not only get trained by professionals but also get hands-on experience. It supplements what students are learning in the core programme.
- It is observed that the communication skill, writing skills were improved.
- The confidence level of students is raised.

6. Resources Required

- Infrastructure
