IQAC Annual Report 2020-2021

The SNDT Arts and Commerce College for Women was founded by Bharatratna Maharshi Dhondo Keshav Karve on 5th July 1916, with five students. It is this college at Pune, with which he started the functioning of the Indian Women's University.

This college is thus the very first institution of the university. Today, it functions as a conducted college, owned and governed by the SNDT Women's University, Mumbai. Both the college as well as the university came to be named after Shreemati Nathibai Damodar Thackersey, mother of Sir Vitthaladas Thackersey, who generously donated in the year 1920 for girl's education.

We focus on rigorous quality and delivery of education and aims at strengthening and focusing on research in the areas of social cause and extension activities.

This is a brief report of quality enhancement initiatives of the IQAC in the academic year 2020-2021.

Activity-Wise Report

Considering the challenges under COVID 19 Pandemic the College reframed various policies and practices

Professional Development

IQAC conducted a workshop on various topics for both the teachers and also for students.

- A three-day workshop on the Development of Online e- Content during 2nd June to 6th June 2020 was organized in collaboration with BCACS for 66 teachers.
- Workshop was organized for introduction to the software, MAXQDA, for qualitative data analysis which will be used by the teachers and students for research.
- 6 days online Faculty Development Program on Research Methodology, Refining Researching Skills: Back to Basics was jointly organized by the IQACs of three colleges during 8th June to 13th June 2020.
- Organisation and presentation of collaborative Research Project in the National Seminar on Impact of Covid-19 Pandemic on Commerce and Industry in India.
- Three days International Conference was organised by SNTD Arts and Commerce College for Women, Pune, BCACS, Pune & Gramannoti Mandal's Arts, Commerce & Science College, Narayangoan in collaboration with Indian Accounting Association, Pune Branch.
- At an Individual level teaching staff participates in various research, teaching and learning activities.

Use of Google Classroom as ICT Tool and LMS

- Use of Google Classroom for online teaching-learning and recording online sessions using official mail ids provided by the University

Due to Covid, the teaching method used was in blending mode. The teachers were using google classroom for CIE and study material. To increase the effectiveness the workshop was organised for using Google classroom as learning management system. In the uniform manner important documents were shared through all google classroom.
