**Subject: Mental Health Awareness Programme**

Dear Sir,

As per your discussion with Dr. Prajakta Bhadgaonkar (Assistant Professor- Psychology) mental health is an integral part of Global Health of an Individual. The SNTD College of Arts and Commerce for Women, Pune has 100 years history in the field of Education. This is the Post Centennial Year of the College founded by Bharatratna Maharshi Dhondo Keshav Karve in 1916. As a part of various extension activities of the college, the Department of Psychology wishes to conduct an awareness programme in the premises of Pune Railway Station. This will provide the students an opportunity to reach the masses and create awareness regarding mental health.

The charts regarding mental health will be displayed in the premises and students will brief about mental health to the gathering. Approximately 7-10 students along with one teacher in-charge i.e. Dr. Prajakta Bhadgaonkar will be part of this programme. The tentative date is 6<sup>th</sup> June, 2017 between 10am to 4pm.

Kindly give permission to conduct the said programme.

In the anticipation of favourable reply,

Thanking you,

Yours faithfully,

*25.5.17*

Dr. Anand G. Jumle

Principal
