

Trek to Shivnery for Divyangjan

On 26th January 2020 one group of 33 members organized a trek to Shivnery. And I was the one of them.

This simple message have many hidden flavors.

1. Make My Dream Foundation took initiative to organize this trek for physically challenged boys and girls.
2. Seven such members and support team of Founder Director Medha Kulkarni and trekker Rajabhau Patankar were the participants
3. Five Divyang students of SNTD Arts and Commerce College, Pune and 6 student assistants were led by Mrs. Vasanti Joshi, Dr Jayant Joshi, Dr Supriya Atre and Mr. Madhukar Atre.

Today's trek to Shivnery was eye opening journey for me and all members.

Junnarkars including Nagaradhakshya, Group of Social workers and trekkers welcomed the group at very short notice.

Thanks to People of Junnar

Unforgettable experience of my life.
