Dear Sir,

Greetings from the "GST ADVISORS & TRAINERS"..!

As you know, on 8th Sep 16, we witnessed biggest Taxation & Economic Reform in India, when GST – 122nd Constitutional Amendment Bill got presidential assent, which laid down the roadmap for implementation of GST. Soon GST is going to be Reality...!

India is looking for GST since 2004 but year 2017 will witness this historical change when GST will be rolled out. **GST is not just Tax Change, it is going to change the way business is done today.** It is going to impact Business Policies – Processes – Strategies.

The Government on its part is working very hard on GST. GST council is already formed. The Model GST Law is already in the public domain for some time now and by & large, it has been accepted by the industry, trade as well as by GST council consisting of State and Union Finance Minister.

Government is putting all its efforts to make GST as reality soon. First time, government is much more ahead in preparation. It is really alarming for all stake holder as to, whether they are preparing themselves for GST, in line with speed of government?

GST is big opportunity for commerce students to make it as their career. Huge job opportunity is expected to be created once GST is implemented. However for this purpose, it is important that students should gear up with GST. It is expected that implementation of GST will create atleast 10 lakhs job opportunities. GST will be open market for students and they can take its benefit, only if they are aware of basics of GST.

We at, GST ADVISORS & TRAINERS have kept vision to prepare youth for GST and make GST as their career point. Our main objective is to gear up the students for GST, so that they can

get employment in GST. Our faculty is having expertized knowledge of GST. Brief profile of our faculty is enclosed herewith for your kind reference.

It will be our pleasure and honour, if SNTD College organizes seminar for students on "GST – Game Changer in your Career", where our faculty will deliver basic knowledge of GST to students and how it is important in their career. Such initiate by college will really impact the career of students. It is really need of time that students should also start understanding GST. Because tomorrow some of them will be businessman or they will join employment. For both of this career option, knowledge of GST is must.

Therefore, we request, SNTD College, which is always ahead in student's development, to kindly organize seminar/workshop on GST, where our faculty will make students of MBA familiar with GST.

We would also like to discuss in person with you about this and explain our thought behind this initiate.

We look forward to hear from you soon.

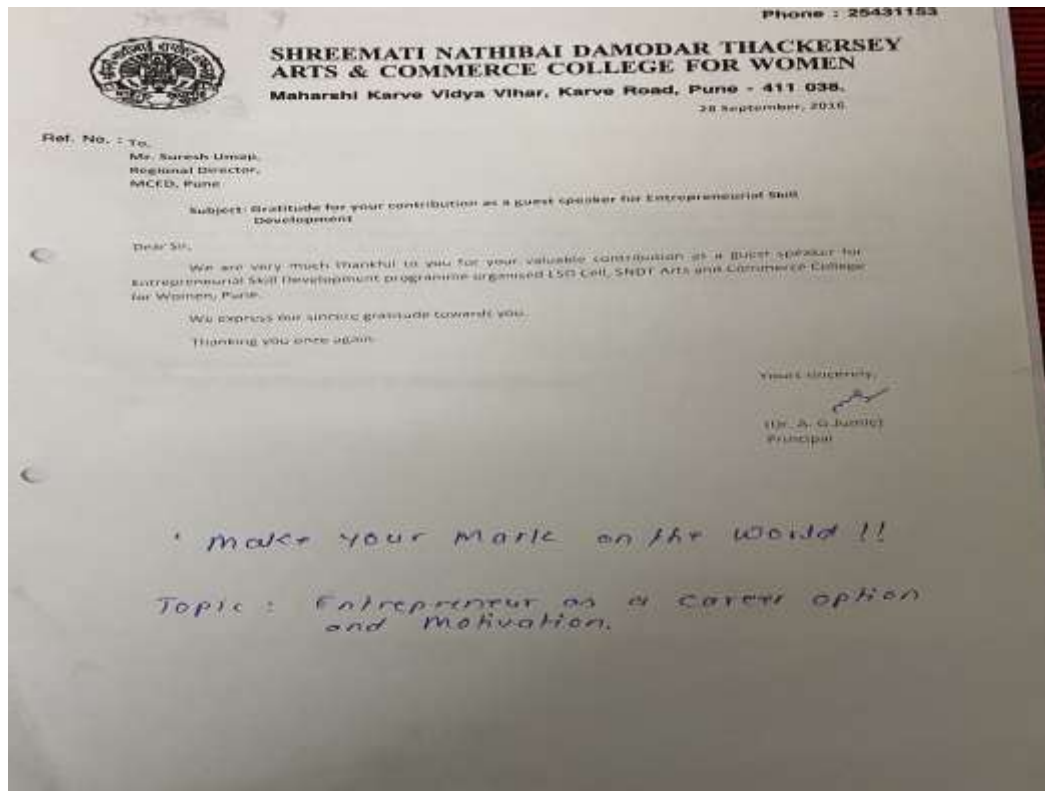

Warm Regards,

For GST ADVISORS AND TRAINERS
